WINERY

MT. TABOR | Chardonnay 2018

100% Chardonnay, harvested from three vineyards planted in rich limestone soils in the Lower Galilee.

The wine went through cold fermentation in stainless steel tanks, without the influence of barrel or malolactic fermentation in order to allow the natural grape characteristics and freshness to shine through. Light and fruity, this classic unoaked Chardonnay is full of flavors and aromas, melon, peach, pear with hints of tropical fruit. The wine has a pale straw color and moderate acidity leading to a pleasant enduring finish.
